Finish The Story

**AGE OF
CREATIVITY
FESTIVAL 2019**

I love losing myself in a good book. A
good story is lovely.

DO

**"Very carefully and with much
excitement I slowly opened the
box..." Can you finish the story?**

THINK

What is your favourite book or thing to
read? What do you think makes a good
story?

Four Seasons

**AGE OF
CREATIVITY
FESTIVAL 2019**

I love spring but some people love autumn.
We're all different I guess.

DO

**Divide a page into 4. Close your eyes and imagine the sights, sounds, tastes and textures of each season.
Can you write, draw or design each separate season?**

THINK

What does each season remind you of?
What do you like to do in the different seasons?

Music Feels

**AGE OF
CREATIVITY
FESTIVAL 2019**

What would the world be
without music?

DO

**Close your eyes and listen to some
gentle music quietly for a few
minutes. How does it make you feel?
What images or memories did it
evoke?**

THINK

What kind of music do you enjoy? What's
your favourite song and why?
