Don't tell anyone, but I love having a good nose in other people's gardens! 🌸

DO

Take a walk and pay attention to the sights, sounds and smells around you. If you can't get out and about – where does your mind wander? Allow yourself to stroll that way.

THINK

How was your walk? Did you notice things you wouldn't have normally or that have gone unnoticed before?

How To?

**AGE OF
CREATIVITY
FESTIVAL 2019**

There's so many bits and bobs I've put my hand to over the years!

DO

Create your own 'How to' set of instructions. It could be something like 'How to' cook your favourite meal, make a birthday card, play the piano. What's your special skill?

THINK

What does creativity mean to you? How do you celebrate it and how does it make you feel?
